*“'What has happened to all that Beauty' took everyone's breath away...Teaming soprano with four strings was sanctified in Schoenberg's Second Quartet. It can rarely have been so vividly deployed since”*

Spectrum (The Scotsman)

My latest composition project was an ACE (Arts Council England)-commissioned gamelan dubstep track called *Only You 2.0*, which was performed live with members of the Halle Orchestra, [Frances Lynch](#) and members of Electric Voice Theatre, Live electronics (Guillaume Dujat des Allimes), [MC Hypes](#) and Dr Rachel Swindells and her gamelan orchestra. The piece was premiered at Halle St Peter's as part of the [Focus on Gamelan Festival](#).

*“Ornette Clennon's orchestral score soared up behind like blasting a sunrise. It's the sort of music wild dreams are made out of – human, moving, avant-garde, ancient, radical as hell”*

Scottish Chamber Orchestra Yearbook

*“...a truly original and eclectic collaboration...”*
