Prof. Dr. Ornette Clennon

Dear Prof. Dr. Clennon

On behalf of the Graduate Programs in Psychology of the University of Brasília and the Rural University of Rio de Janeiro, Brazil, we want to thank you and express our appreciation for your recent seminar on youth and black activism.

Your seminar, given on February 19, 2021, was the first of a series of lectures we have planned to study Reflexivity and Agenciality. These seminars are a vital part of our collaboration in research and teaching.

The students who attended enjoyed your presentation very much. The different examples of education and activist actions, critical reflexivity, and thought-provoking discussion were very much appreciated.

Again, we thank you for your excellent lecture and the stimulating interaction with our research teams.

Sincerely,
